**NEW YEAR MESSAGE
(2013)**

FROM THE DESK OF CHAIRMAN AND MANAGING DIRECTOR

Dear Colleagues,

On the eve of the NEW YEAR, I wish the family members of NPCC a very Happy and Prosperous Year 2013. On this occasion, I wish to inform all of you that in spite of precarious market conditions and tight finances for infrastructure projects where turnover & profits have very seriously been affected, NPCC has shown commendable performance in terms of turnover and net profit and it has achieved higher turnover & profit for third consecutive year. For this, I convey my heartiest Congratulations to all of you who have put in their collective, sincere and sustained efforts for achieving this position.

Although NPCC has achieved many milestones and secured valuable works of varied nature during 2012, we have to work together as a cohesive family to take over Corporation to lofty heights as number one Company in construction.

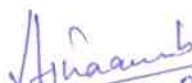

There is a sense of pride in what we have achieved but we should not take rest at this point.

I am not only sure but confident that if there is a 'Will' and intentions are 'Pure', one is sure to succeed. I hope that NPCC's family will definitely accomplish the desired task with full dedication & commitment.

Let's pledge to build NPCC a "Respected Organization" in the field of Construction.

I wish and hope that the coming year brings continued joy and prosperity to you and members of your families.

Best Wishes.
