- Continual organizational re-structuring and diversification with focus to Business and Customer.
- Maintaining & improving ISO 9001-2000 based Quality Management Systems in all areas of activity.

2.3 Brief history of NPCC and context of its formation.

Post Independence era saw large scale development activities in the country. Large projects were sanctioned for which neither the private sector nor the State Government construction organizations were equipped in terms of manpower and machinery. At this juncture the need was felt for an All India commercial organization having a team of qualified engineers and equipment to work all over the country. Thus National Project Construction Corporation (NPCC) was incorporated on Jan 9th, 1957.

2.4 Main Activities/Functions of NPCC.

Main activities and functions of the National Projects Construction Corporation are – to take up any engineering projects from concept to commissioning at certain cost for the various clients. These fields are given briefly in the following areas:

- DAMS
- BARRAGES
- CANAL/IRRIGATION PROJECTS
- HYDRO-ELECTRIC POWER PROJECTS
- TUNNELS AND UNDERGROUND PROJECTS
- THERMAL POWER PROJECTS
- TOWNSHIPS/BUILDING PROJECTS
- STEEL PLANT AND INDUSTRIAL STRUCTURES
- SURFACE TRANSPORT AND UNDERGROUND PROJECTS
- PUBLIC HEALTH ENGINEERING AND ENVIRONMENT PROJECTS
- INTERNATIONAL PROJECTS IN THE ABOVE FIELDS
- PROJECT MANAGEMENT CONSULTANCY IN THE ABOVE FIELDS
- ROAD WORKS

2.5 List of services being provided by NPCC with a brief write-up on them.

NPCC provides following ongoing services and executes projects in the areas mentioned below at costs to the various intending clients in India and Abroad.

DAMS: NPCC became the fore runner by starting the construction of Badua Dam in Bihar in 1958. NPCC has completed 19 major dams some of which are mentioned below:

STEEL PLANT AND INDUSTRIAL STRUCTURES: In the early decade of 1980, NPCC undertook the biggest challenge by diversifying into almost every component of Industrial Construction at Vishakhapatnam Steel Plant which involved construction of Sinter Plant, Coke-oven batteries and complete by product plant. It has also worked in Steel Plants for DVC and modernization of the Sinter Plant for SAIL. Other important projects include:

- Koyali Oil Refinery, Gujarat
- Dalla Cement Factory, UP
- Khetri Copper Project, Rajasthan
- Khrew Cement Factory, J&K
- Nagaland Pulp Factory, Nagaland

SURFACE TRANSPORT AND UNDERGROUND PROJECTS: In the 1980s NPCC took its first major stride towards improvement of transportation network, by being the first to complete the entire civil works, between S-Plant to Bhawanipur Station for the first and the most prestigious National Underground Mass Rapid Transport System for Metro at Calcutta. NPCC is also completing the first major underground MRTS at Chennai for the central railways. Other projects include:

- Manjari Bridge, Karnataka
- Sevanagar Flyover, Rohtak road Flyover, Delhi
- Rail cum road Bridge at Rihand STPP, UP
- Railway bridges, Farakka, WB
- Chapora Bridge, Goa

PUBLIC HEALTH ENGINEERING AND ENVIRONMENTAL PROJECTS: NPCC has not lagged behind in its contribution to Public Health engineering works which are environmental friendly. It started with the deep sewer pipelines, Delhi in early 60s. Other major works undertaken by the corporation include:

- Incorporated water supply scheme, Singrauli, UP
- Water treatment plants, Bangalore
- Water supply scheme, Bagalkot, Karnataka

INTERNATIONAL PROJECTS: NPCC entered into the international construction field with Trisuli Hydro-electric project in Nepal, Chukha Hydro-electric project in Bhutan and subsequently executed projects in Iraq which include:

- Grain Silos at Baquba and Khanakin, Iraq
- Nahar-saad Canal project, Iraq
- Al-Edawiyah Canal project, Iraq

PROJECT MANAGEMENT CONSULTANCY: Having successfully tackled numerous engineering, structural and geological problems at various projects and keeping in view the demand to provide PMC services to specialized agencies and individuals to seek services and expert advice, NPCC in the year 1989 diversified into the area of providing Project Management Consultancy. Since then, the Corporation has been awarded work around Rs. 8000 million from various prestigious clients.

Today NPCC has rich experience in almost all fields of construction to successfully undertake all kinds of upcoming projects. To reach this goal NPCC has also entered into collaboration, agreements with International Construction and Consultancy Companies to take up construction of projects in India and abroad.
