No revision to rates or any escalation shall be allowed on account of any increase in price of materials, labor, POL and overheads etc or any other statutory increase during the entire contract period.

14. ESCALATION / PRICE VARIATION.

No claim on account of any price variation / Escalation on whatsoever ground shall be entertained at any stage of works. All rate as per BOQ quoted by contractor shall be firm and fixed for entire contract period as well as extended period for completion of the works. No escalation price variation clause shall be applicable on this contract.

15. EMPLOYMENT OF PERSONEL

- 15.1 The contractor shall employ only India National as his representatives, servants and workmen after verifying their antecedents and loyalty. He shall

ensure that no person of doubtful antecedents and any other nationality in any way is associated with the works.

- 15.2 The NPCC shall have full power and without giving any reason to the contractor, immediately to get remove any representative , agent, servant and workmen or employee on account of misconduct negligence or incompetence or whose continued employment may in his opinion be undesirable. The contractor shall not be allowed any compensation on this account.

16. TECHNICAL STAFF FOR WORK

The contractor shall employ at his own cost the adequate number of technical and other staff during the execution of this work depending upon the requirement of work. The contractor shall not be entitled for any extra payment in this regard. The technical staff should be available at site, whenever required by NPCC to take instruction.

17. SECURED ADVANCE AGAINST NON- PERISHABLE MATERIALS.

Interest free secured advance up-to a maximum of 70% (seventy percent) of the market value of the materials or the cost of materials as delivered from the tendered item rate of the contractor, whichever is less, required for incorporation in the permanent works and brought to site and duly certified by NPCC site Engineer, shall be paid to the contractor for all non-perishable items as per NPCC/MOST norms. The advance shall be recovered in full from next running account bill and fresh advance paid for the balance quantities of materials. He shall also employ necessary watch and ward establishment for the purpose at his own cost and risk.

18. MEASUREMENT OF WORKS.

Unless otherwise mentioned in the bill of quantities the measurement of works shall be done as per MOST/CPWD specification (as specified in Technical Specification of the tender) and if the same is not given in the MOST/CPWD specification, the same shall be measure as per latest BIS codes in force.

19. PAYMENT.

The bill shall be submitted by contractor all works executed and accordingly payment will be released after join verification but not later than 15 days.

20. WORK ON SUNDAYS, HOLIDAYS AND DURING NIGHT.

For carrying out work on Sunday and holidays or during night, the contractor will approach the Engineer-in-Charge or his representative at least two days in advance and obtain his permission. The Engineer-in-Charge at his discretion can refuse such permission. The contractor shall have no claim on his account whatsoever. If work demand, the contractor shall make arrangement to carry out the work on Sundays, Holidays and

in two, Three shifts with the approval of Engineer-in-Charge at no extra cost to NPCC.

21. NO IDLE CHARGES TOWARDS LABOUR OR P & M ETC.

No idle charges or compensation shall be paid for idling of the contractor's labour, staff or P&M etc. on any ground or due to any reason whatsoever. NPCC will not entertain any claim in the respect.

22. WORK TO BE EXECUTED IN ACCORDANCE WITH SPECIFICATIONS, DRAWINGS, ORDERS ETC.

The contractor shall executed the whole and every part of the work in the most substantial and workman like manner both as regard materials and otherwise in every respect in strict accordance with the specification. The contractor shall also conform exactly, fully and faithfully to the design, drawings and instruction of writing in respect of the work assigned by the Engineer-in-Charge.

The contractor shall comply with the provisions of the contract and execute the works with care and diligence and maintain the works and provide all labour and materials, tool and plants including for measurement and supervision of all works, structural plans and other things of temporary or permanent nature required for such execution and maintenance in so far as the necessity for providing these is specified or is reasonable inferred from the contract. The contractors shall take full responsibility for adequacy, suitability and safety of all the works.

24. TIME SCHEDULE & PROGRESS

Time allowed for carrying out all the works as entered in the tender shall be as mentioned in the "Memorandum to the Form of Tender" which shall be reckoned from the 10th day from the date on which the letter / telegram of intent is issued to the contractor. Time shall be the essence of the contract and contractor shall ensure the completion of the entire work within the stipulated time of completion.

25. SCHEDULE OF RATES .

The quantities shown against the various items of work are only approximate quantities which may vary as per the actual requirement at site.

26. INDIAN STANDARD

Wherever any reference is made any IS in any particular specification, drawings or bill of quantities, it mean the Indian standards edition with the amendments current at the last date of receipt of tender documents.

27.0 MATERIALS AND SAMPLES

27.1 The materials / products used on the work shall be one of the approved make/ brands out of list of manufacturers/ s given in the tender documents. The contractor shall submit samples/ specimens out of approved makes of materials / products to the Engineer-in-Charge for prior approval. In exceptional circumstances Engineer-in-Charge may allow alternate equivalent makes / brands of products / materials at his sole direction. The final choice of brand/ make shall remain with the engineer-in-Charge, whose decision in the matter shall be final and binding and nothing extra on this account shall be payable to the contractor.

29. CARE OF WORKS. :- From the commencement to the completion of the works handing over to the NPCC and contractor shall take full responsibility for the care thereof and all temporary works and in case any damage loss or injury shall happen to the works or to any part thereof or to any temporary works due to lack of precaution / negligence on part of contractor, the same shall be made good at his own cost.

31. PROHIBITION ON SUBLETTING

The contractor shall not sublet or assign the whole or part of the works except where otherwise provided, by the contract and even then only with the prior written consent of the NPCC and such consent if given shall not relieve the contractor from any liability or obligation under the contract and he shall be responsible for the acts, defaults or neglects of any sub-contractor, his agent, servants or workman as full as if they were the acts, the defaults or neglects of the contractor, his agent servants or workman provided always that the provision of labour on piece work basis shall not be deemed to be a subletting under this clause

32. ALTERNATION IN SPECIFICATION, DESIGN & DRAWING.

32.1 The Engineer-in-Charge shall have power to make any alternation in, omissions from, additions to or substitution for the original specifications, drawings, design and instructions that may appear to him to be necessary during the progress of the work, and the contractor shall carry out the work in accordance with any instruction which may be given to him in writing signed by the Engineer-in-Charge and such alternations, omissions, additions, or substitution shall not invalidate the contract and any altered, additional or substituted work which the contract may be directed to do in the manner above specified as part of the work shall be carried out by the contractor on the same condition in all respects on which he agreed to do the main work. The time for the completion of the work shall be extended in the proportion that the altered, additional or substituted work in the proportion that the altered, additional or substituted works bears to the original contract work, and the certificate of the Engineer-in-Charge shall be conclusive as to such proportion. Over and above this, a further period to extent of 25 percent of such extension shall be allowed to the

contractor. The rates for such additional, altered or substituted work under this clause shall be worked out in accordance with the following provision in their respective order.

- i. The rates for the additional, altered or substituted work are specified in the contract for the work, the contractor is bound to carry out the additional, altered or substituted work at the same rates as per specification.
- ii. If the rates for the additional, altered or substituted work are not specifically provided in the contract for the work, the rates will be derived from the rates for a nearest similar item of work as are specified in the contract for the work. In case of composite tenders where two or more schedule of quantities / bill of quantities form part of the contract, the rates shall be derived from the nearest similar item in the schedule of quantities / bill of quantities of the particular part of work in which the deviation is involved falling that from the lowest of the nearest similar item in other schedule of quantity. The opinion of the Engineer-in-Charge as to whether or not the rate can be reasonably so derived from the item in this contract will be final and binding on the contractor.
- iii. If the altered, additional or substituted work includes any work for which no rate is specified in the contract for the work and which cannot be derived in the manner specified in sub para(i) and (ii) from the similar class of work in the contract then such work shall be carried out from the price list of Godrej at the rates entered in the schedule of rates minus/plus the percentage which the tendered amount of scheduled items bears with the estimate amount of schedule item based on the schedule of rates. The schedule items means the items appearing in the schedule of rates published by Godrej as price list effective during the floating of tender
- iv. if the rates for the altered, additional or substitute work cannot be determined in the manner specified in sub-clause (i) to (iii) above, then the contractor shall, within 7 days of the date of receipt of order to carry out the work, inform the Engineer-in-Charge of the rate which it is intension to charge for such class of work, supported by analysis of the rate or rates claimed, and the Engineer-in-Charge shall determine the rate of rates on the basis of prevailing market rate of the materials, labour, T&P etc. plus 10% (Ten percent) to cover the contractor supervision, overheads the profit and pay the contractor accordingly. The opinion of the Engineer-in-Charge as to the current market rates of the materials and quantum of labour involved per unit of measurement will be final and binding on the contractor.

However, the Engineer-in-Charge, by notice in writing will be at liability to cancel his order to carry out such class of work an arrange to carry it out in such manner as he may consider advisable. But under no circumstances, the contractor shall suspend the work on the plea of non-settlement of rates of items failing under the clause.

33. COMPENSATION FOR DELAY AND REMEDIES.

If the contractor fails to maintain the required progress in terms of relevant clause of contract, to complete the work and clear the site on or before the contract or extended date of completion, he shall, without prejudice to any other right or remedy available under the law to the Govt. on account of such breach, pay as agreed compensation the amount calculated at the rate stipulated below or such smaller amount as the Engineer-in-Charge (whose decision in writing shall be final and binding) may decide on the amount of tendered value of the work for every complete day /week (as applicable) that the progress work remains incomplete.

i. Completion period (as originally stipulated) @ 1% per week

Provided always that the total amount of compensation for delay to be paid under the condition shall not exceed 5% of the tendered value. The amount of compensation may be adjusted or set-off-against any sum payable to the contractor under this or any other contract with NPCC.

34. DEFECTS LIABILITY PERIOD

The contractor shall be responsible for the rectification of defects in the works for a period **three months** from the date of taking over of the works by the Owner / Client. Any defects discovered and brought to the notice of the contractor forthwith shall be attended to and rectified by him at his own cost and expense. In case the contractor fails to carry out these rectifications, the same may without prejudice to any other right or remedy available, be got rectified by NPCC at the cost and expense of the contractor.

36. FORCE MAJEURE

Any delay in or failure of the performance of either party hereto shall not constitute default hereunder to give rise to any claims for damages, if any to the Extent such delay or failure of performance is caused by occurrences such as acts of God or the public enemy , expropriation, compliance with any order or request of Government authorities, acts of war, rebellions, sabotage fire, floods, illegal strikes, or riots (otherwise than among the contractors employees). Only extension of time shall be considered for Force Majeure conditions as accepted by NPCC. No adjustment in contract price shall be allowed for reasons of force majeure.

37. ARBITRATION –

Both the parties shall make efforts to settle the disputes or differences amicably. If amicable settlement is not possible the same shall be referred to the sole arbitrator of Chairman and managing Director of NPCC or the person appointed by CMD, NPCC and the decision of the arbitrator shall be final and binding on both the parties. Arbitration shall be accorded in Indian arbitration and conciliation Act. 1996.

38. JURISDICTION

The agreement is deemed to be executed at Jodhpur and the Courts in Jodhpur alone will have jurisdiction to deal with matters arising there from.

39. **TERMINATION OF CONTRACT ON DEATH OF CONTRACTOR**

Without prejudice to any of the right or remedies under this contract if the contractor dies, the Engineer-in-charge shall have the option of terminating the contract without compensation to the contractor. If the contractor will not executed the works as per the construction programme or time scheduled entered the agreement including time extension if any due to the reasons attributable to him, NPCC reserves the right to terminate or reduce his contract at any stage of contract period and got executed the work at the risk and cost the contractor.

40. **CLARIFICATION AFTER TENDER SUBMISSION**

Tenderers attention is drawn to the fact that during the period, the bids are under consideration, the bidders are advised to refrain from contacting by any means, the NPCC and/or his employees/representatives on matters related to the bid under consideration and that if necessary, NPCC will obtain clarifications in writing or as may be necessary. The tender evaluation and process of award of works is done by duly authorized Tender Security Committee and this committee is authorized to discuss and get clarification from the tenderers.
