

## **MESSAGE FROM CMD ON 64<sup>TH</sup> ANNUAL DAY OF NPCC ON 9.1.2021**

It gives me immense pleasure in connecting with all of you on this joyous occasion of Annual Day of NPCC.

NPCC has a glorious past of over six decades and its admirable to see how our organization overcame all obstacles in its road to success.

The unprecedented Covid-19 Pandemic outbreak prevented us from celebrating the Annual Day this year with fun and fervour. Nevertheless, keeping up with the proactive spirit, NPCC was among the first few PSUs to resume work, following exemptions in lockdown procedures. This gave impetus to the economic activity as well.

It is an honour for us to be a part and parcel of the flagship programmes of Government of India like Pradhan Mantri Gram Sadak Yojna, Pradhan Mantri Awas Yojna, Smart City Mission, Swacchhta Abhiyaan, etc. It is also our privilege to have contributed towards PM Cares fund as a humble gesture towards combating the Pandemic outbreak.

NPCC has grown by leaps and bounds with the collective support of its employees who perceive NPCC as their family and hence strive for its growth, day in and day out, simultaneously maintaining relations with its Clients, stakeholders, etc.

Let us all strive to work harder, so as to create a niche, a visibility and a competitive edge as these are testing times and the business scenario is becomingly increasingly challenging. Our combined dedication and coordination will surely bear fruits and will be highly beneficial for all of us in times to come.

May we light such zeal in our hearts which shall lead to enhanced commitment in an unprecedented way so as to not only bounce back but fight back the consequences of the unprecedented outbreak.

Wish you and your family, a very happy 64th Annual Day !

Best regards,

Debashree Mukherjee
