CMD, WAPCOS & NPCC

## MESSAGE FROM Chairman & Managing Director

Dear Readers,

As we approach the end of 2024, I am delighted to present the December edition of e-Sanchar, a testament to NPCC's unwavering commitment to excellence in infrastructure development. This month's newsletter highlights significant milestones achieved by NPCC, including the completion of several Kendriya Vidyalaya projects in Telangana and progress on various prestigious initiatives across the nation. These projects underscore our dedication to nation-building by creating spaces that empower education, innovation, and development.

The successful completion of two Kendriya Vidyalaya projects and the remarkable progress at Mancherla in Telangana reflects our commitment to delivering quality and sustainable infrastructure. Additionally, our collaborations with esteemed institutions such as NIT Meghalaya, the Women and Child Development Department of Odisha, and the Army Institute of Nursing, Guwahati, signify NPCC's expanding footprint in diverse sectors. These partnerships highlight the trust and responsibility entrusted to us to shape India's future.

I take this opportunity to thank our dedicated team and valued stakeholders for their relentless efforts and support in ensuring the success of these endeavors. As we gear up for 2025, I am confident that NPCC will continue to achieve new heights and contribute meaningfully to the nation's progress.

**R.K. Agrawal**  
Chairman & Managing Director  
National Projects Construction Corporation Limited
